murderous throng were assembled, opening a deadly fire upon the unarmed, defenseles negroes. Unarmed negroes were shot in the back while running away. How many were killed no one knows, and no one will not be learned. That they were Murdock sends us the proof of what he did. shot in the back like dogs while running it is a roll of political articles cut from the away; that no pistol shot was fired by a twenty-five feet long and contains only the save by his own friends; that for days the sampaign articles in two numbers of that poor victims were found dead in alleys, in varehouses, and under houses, like pols ed rate that had crawled away to die; that

beaven; those are a few of the facts of this

regular programme carried out all over Virginia. The details are given with minteness, and we venture the assertion the statements given in the address wil

never be disputed, except in a vague and

general way.

As to the future of the Readjuster party in Virginia the address says: "The scope of the Readjuster party ha

nlarged with its age and growth. It originated in an issue local, and to some exter unpopular. With time, and the changin issues which time brings, it has "distance tariff" is the rate between points its sphere, and, while its original object ha rates. For instance, the "local tariff" rate have been forced upon it by the fierce onroad 150 miles from Kansas City is, say 60 cents for first-class goods, while betwen two points on the same road, for the same distion and bigotry of caste, class, and rac

move determined upon by the G. A. R frateruity of the country for a law pensi ing every man who served in the Unio are many public writers who have predicted this course. The railroad people opposed this plan, but the board was firm and insist-quently the law of the law of the Permetral its wisdom. To begin with the Democrat now have the control of the lower hou this is the wrong time in which to move fo outside of that objection we would favor a

gation and discussion of every point in-should have attained to the age of say, fifty volved. The railroads have been heard; or fifty-five years. Which pension should the Commissioners have presented their revert to his widow in case of his death for views; and both have made concessions in her life time. Such a policy would take

police judge, two justices of the peace, two constables, to say nothing of a fireman's organization, a set of school officers, and superintendent, etc., etc. Now all these for one little town of from three to ten thousand people. To take the State of Kansas with all its federal officers, State officers, district officers, county officers, township officers, county officers, township officers, exclude officers, and township officers, sand town and city officers and it looks like there is nobody left for people or to do the work.

Marsh Murdock, editor of the Wichita Eagles and postmaster of that city, evidently has a tender spot in the left side, that sayful oner years to the contrary notwith the standing. For proof, read this pathetic little place from the proof of the will bring white folks a heap closer for them in the rest is no loop them in the first suffice one are same to obtain the standing. For proof, read this pathetic little nearly one are according to the standing that there is not soon a cersation of boottliit lites along the line of that cora maneuver, we shall send every editor in the State a specimen ear by express c. o. d.

The marsh of the railways. They recognize their value of the two afters them. But they do demand reasonable rates, and on the speciment of the college that come what might, he would be safe and provided for in its declining years.

We have some special bargains on our books, in the range of immedi oad developments, which we regard as the best in the market and not to be excelled, and in price far below their real value. The prices range from \$800 to \$1,500 per quarter for lands that in our judgment will double it

We do conveyancing, collect rents, pay taxes and rent lauds, of which TRINIDAD latter we have a large list in our control, to be leased subject to sale. We negotiate optional as well as fixed loans, and do in all things the

as press of business permits, and subject to changes from sales from day

nt have good reason to congratulate ourselves upon the generous patronage which has flowed to us with increasing volume. We are well prepared now to serve our customers at their convenience and without expense to them and are contemplating early changes and additions to our facilities to me FARIES & FLAGG, Proprietors, the demands of our business

usiness of a first-class Real Estate Agency.

We salute our friends from the country and from abroad, and reques bem to make our office their headquarters when in the city. JOCELYN & THOMAS.
